Verse 1:

I got outta class  
Ended up in my friend's dorm room  
"when'd you drink last?"  
Can't remember cause the time's not soon  
Had a 40 on me  
And two dollars just to get me by  
Hit the gas station, see?  
We're stealin some beer tonight

Chorus:

I'm drunk on a Tuesday  
And I'm feelin alright  
It's only a Tuesday  
But we're drinkin all night  
[Repeat]

Verse 2:

So I grab two cans, two of them full  
Gotta skip class, fuck my school  
Imma get bla-sted tonight  
Call up my friends, get things right  
Get em on the phone, funnel my beer  
Best damn time we had all year  
Ain't goin home, let's have fun  
Drinkin til we all see the sun

Chorus

Bridge:

I'm outside now, but I'm not alone  
And I got my can, but it's my own  
I'm so tipsy now, but I only know

Chorus
