Imagine me and you, I do
I think about you day and night, it's only right
To think about the girl you love and hold her tight
So happy together

If I should call you up invest a dime
And you say you belong to me and ease my mind
Imagine how the world could be so very fine
So happy together

I can't see me loving nobody but you for all my life
When you're with me, baby, the skies'll be blue
For all my life

Me and you and you and me
No matter how they toss the dice, it had to be
The only one for me is you and you for me
So happy together

I can't see me loving nobody but you for all my life
When you're with me, baby, the skies'll be blue
For all my life

Me and you and you and me
No matter how they toss the dice, it had to be
The only one for me is you and you for me
So happy together

Ba ba ba ba

Me and you and you and me
No matter how they toss the dice, it had to be
The only one for me is you and you for me
So happy together

So happy together, how is the weather?
Ba ba-ba ba ba
So happy together, we're happy together
So happy together, happy together
So happy together, so happy together
