He don't love you like I love you  
If he did, he wouldn't break your heart  
He don't love you like I love you  
He's tryin' to tear us apart

Fare thee well, I know you're leavin'  
For the new that new love that you've found  
That handsome guy that you've been dating, whoa  
I've got a feelin' he's gonna put you down 'cause

He don't love you like I love you  
If he did, he wouldn't break your heart  
He don't love you like I love you  
He's tryin' to tear us apart

Now he uses all the great quotations  
He says all the things I'd love to say you  
Whoa, but he's has so many rehearsals, girl  
To him it's just another play but wait

And when the final act is over  
And you're left standing all alone  
When he takes his bow and makes his exit  
Girl, I'll be there to take you home

He don't love you like I love you
