Some girls love to run around
Like to handle everything they see
But my girl has more fun around
And you know she'd rather be with me

Me-oh-my, lucky guy is what I am
Tell you why, you'll understand
She don't fly although she can

Some boys love to run around
They don't think about the things they do
But this boy wants to settle down
And you know he'd rather be with you

Some girls love to run around
Yes, she'd rather be with me
