I'm the black fucken lord
And I am the king
The king of this castle
And this castle is this world
The whole fucken world
Is my playground
I can do as I wish
And do what I want
In a circular motion I walk
Laughing hysterically
Everyday I'm dying
With junk in my veins
Everybody says
I'm a penny waiting for change
Overdose
Overdose
Overdose
Overdose
I fucken think
Every man is
His own fucken god

So choose your death
The sight of your
Motionless, bloody body
With tracks on your arm
Is how you will die
Take my fucken word
I see it every day
A junkie is a man
Who will just fade away
In a circular motion I walk
Laughing hysterically
Everyday I'm dying
With junk in my veins
Everybody says
I'm a penny waiting for change
Overdose
Overdose
Overdose
