

Righteous Pigs "Ruinous Dump"

Visit "[Ruinous Dump](#)" on MotoLyrics.com

Desolate planet planet revealed
Is inhabitate concealed?
All seems to be unused
Left abandoned and abused
Tragedy that lied dormant
Piece a puzzle left of fragments
Imaging destructive havoc
Illusion created blindly
What has caused this mass extinction?

Deserted planet left in vision
Ruinous dump is here for viewing
Useless target for more wrongdoing
Desolate planet revealed
Is inhabitation concealed?
All seems to be unused
Left abandoned and abused
