Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me
They long to be close to you

On the day that you were born
The angels got together and decided to
Create a dream come true
And when all their work was done
Then there was no one else as wonderful
As you...

That is why all the girls in town
Follow you all around;
Just like me
They long to be close to you

On the day that you were born
The angels got together and decided to
Create a dream come true
And when all their work was done
Then there was no one else as wonderful
As you...

That is why all the girls in town
Follow you all around;
Just like me
They long to be close to you

Close to you...
