If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
'Til you're back beside me, 'til I'm holding you  
'Til I hear you sigh here in my arms  
Anywhere you run to, anywhere you go  
Every day remember, how I love you so  
In your heart believe what in my heart I know  
That forever more I'll wait for you  
If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
'Til you're back beside me, 'til I'm touching you  
And forever more cherish your love  
If it takes forever, I will wait for you  
For a thousand summers, I will wait for you  
'Til you're back beside me, 'til I'm touching you  
And forever more cherish your love  
Anywhere you run to, anywhere you go  
Every day remember, how I love you so  
In your heart believe what in my heart I know  
That forever more I'll wait for you  
If it takes forever, if it takes forever  
For a thousand summers  
I will wait for you, I will wait for you  
For a thousand summers  
I will wait for you  
For you...
