As I was walkin' down the road to Bethlehem one night
I looked up to the sky and there I saw a wondrous sight
A star was shining brighter than I'd ever seen before
And a host of angels sang to me, never heard a song
so pure
They said don't be afraid, we bring good news to all
the world
With great tidings of joy for every boy and every girl

[Chorus]

A child is born
On this holy night
And all the angels sing of the joy he brings with a star
so bright
So come to see
Mary's sweet baby
And let our praises ring to the newborn king while he
sleeps so peacefully
So peacefully
Oh yeah

As I went down into the town to see what I could see
Three mighty kings with golden rings came ridin' up to
me
They said they seek the child who was born beneath
the star
Of all the kings this one would be the mightiest by far
So wake up everybody, 'cause the blessed day has
come
And ring the bell so we can tell the news to everyone

[Chorus]

A child is born
On this holy night
And all the angels sing of the joy he brings with a star
so bright
So come to see
Mary's sweet baby
And let our praises ring to the newborn king while he
sleeps so peacefully
So peacefully

Hallelujah (repeated)

So wake up everybody, 'cause the blessed day has
come
And ring the bell so we can tell the news to everyone

[Chorus]

A child is born
On this holy night
And all the angels sing of the joy he brings with a star
so bright
So come to see
Mary's sweet baby
And let our praises ring to the newborn king while he
sleeps so peacefully
So peacefully
Oh yeah
