Chris brown:

Doggy want that kitty,
Give me a heart attack and throw it back
Now watch me get it
You know this but you the shit
Damn girl you pretty
Blowing out your candles
Now make me make a couple wishes

Remember how you did it,
Remember how you did it
If you still wanna kiss it
Come, come and get it
Sweeter than a rice cake
Cake worth sipping
Kill it, tip it, cake fill it

If you sexy and you know it
And you ain't afraid to show it
Put a candle on my motherfucking back
Baby blow it

Love the way you do it when you do it like that
Show up with the stats
Bring the racks on my racks
Wrap it up, wrap it up boy
While I take this bow off
Talk that talk, yeah I know I'm such a show off
Daddy make a wish
Put this cake in your face
And it's not even my birthday (my birthday)

Chris brown:
