[Verse 1:]

I'm not concerned with people
Who prey on the wealth of their fellow men (oh yea)
Cause they only want to know you, enroll you
Only for the things ya had
I just think its so sad

[Hook:]

Get dem haters out your circle
Smile in your face but all they wanna do is bring ya
down
See they try to mess to hurt you
And work you
Anything to bring ya down

[Verse 2:]

They keep evil thoughts in their hearts (what you dont
know)
You can't let them knock your hustle
After dem nuh know how much you struggle

They turn green with envy when your on top
And dem heart is full with strife
Their by gonna try to take your life

[Hook:]

[Bridge:]

Ya know they talk about ya and they tell the lies
Dont be fooled u betta recognize
They not there for you
They dont care for you
Trust me 'cause i know its true
Ya know they smile in your face and make ya think they
down
Then they turn against you when your not around
Its just jealousy and dishonesty
So hold on to your sanity

[Hook]
