[Verse 1]

I never should have waited so long to say
What I've always known since the very first day
Thought that you would stay forever with me
But the time has come to leave

[Chorus]

Before we turn out the lights and close our eyes
I'll tell you a secret I've held all my life
It's you that I live for, and for you I'd die
So I'll lay here with you till the final goodbye

[Verse 2]

Hold, draw me close, close to my lips
Listen intently as I tell you this
Outside the world wages it's wars, I'll rest in peace as
long as you know

[Chorus]

Before we turn out the lights and close our eyes
I'll tell you a secret I've held all my life
It's you that I live for, and for you I'd die
So I'll lay here with you till the final goodbye

[Bridge]

Promise you our love will carry on
Until time eternal, we belong

[Chorus]

Before we turn out the lights and close our eyes
I'll tell you a secret I've held all my life
It's you that I live for, and for you I'd die
So I'll lay here with you till the final goodbye

His respectful lips for the last time
Spell out the lyrics to love in the sky
It's you that I live for and for you I'd die
So I'll lay here with you till the final goodbye

Goodbye
