Now this be the last time you did me wrong
No more laying up in your arms
No calling, saying you want me back
I'm packing my bags, what you think about that?

Stayed at home like a good girl do
But Tonight baby you got me sad and blue
I just heard about the girl in your car, y'all kissing at the
bar
Got me crying

[Chorus:]
Ohhh, you got me hatin' on the club
'Cause you took my love
Oh you took my love
Now you got me like whoahhh
You got me hatin' on the club
'Cause you took my love
Why'd you have to take my love
Whoahh

And you can be mad at me all you want
I ain't coming in, I'll be waiting out front
Coming out the door with your girlfriend
You did me wrong boy tell me where our love went

Stayed at home like a good girl do
But Tonight baby you got me sad and blue
I just heard about the girl in your car, y'all kissing at the
bar
Got me crying

[Chorus:]
Ohhh, you got me hatin' on the club
'Cause you took my love
Oh you took my love
Now you got me like whoahhh
You got me hatin' on the club
'Cause you took my love
Why'd you have to take my love
Whoahh

Now this is the sound of a broken heart
There's only one reason why we're apart
She never woulda made it to your car
If it wasn't for the club, I'd still have my love
We would still have us
I'd still have my love
We would still have us

But now we're like whoahhhh

Ohhh, you got me hatin' on the club
'Cause you took my love
Oh you took my love

But now, now we're like whoahhh
You got me hatin' on the club
You took my love
Oh you took my love
