Now as the summer fades  
I let you slip away  
You say I'm not your type  
But I can make you sway

It makes you burn to learn  
You're not the only one  
I'd let you be if you  
Put down your blazing gun

Now you've gone somewhere else  
Far away  
I don't know if I will find you (find you, find you)  
But you feel my breath  
On your neck  
Can't believe I'm right behind you (right behind you)

'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again  
I don't mind  
'Cause we gone much further than I thought we'd get  
tonight

Sometimes you move so well  
It's hard not to give in  
I'm lost, I can't tell  
Where you end and I begin

It makes me burn to learn  
You're with another man  
I wonder if he's half  
The lover that I am

Now you've gone somewhere else

Far away  
I don't know if I will find you (find you, find you)  
But you feel my breath  
On your neck  
Can't believe I'm right behind you (right behind you)

'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again  
I don't mind  
'Cause we gone much further than I thought we'd get  
tonight

Baby, baby  
Please believe me  
Find it in your heart to reach me  
Promise not to leave me behind  
(Promise not to leave me behind)

Take me down, but take it easy  
Make me think but don't deceive me  
Talk to me bout taking your time  
(Talk to me, talk to me)

'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again  
I don't mind  
'Cause we gone much further than I thought we'd get  
tonight

'Cause you keep me coming back for more  
And I feel a little better than I did before  
And if I never see your face again  
I don't mind  
'Cause we got much further than I thought we'd get  
tonight
