Kisses don't  
No they don't  
Never don't lie  
You can run if you want but you can't hide  
Tellin you it's the truth don't you ask why  
Kisses don't  
No they don't  
Kisses don't lie

[Verse 1:]

Emotions come and go  
Almost how the wind will blow  
There so little in this world to trust in  
Seduce themselves with lies  
Some don't realize  
They call it love but it's really only lustin

[Refrain:]

So you see you and me  
We're gettin close to the danger zone  
Show me how tell me now  
Should I stay or should i go  
Cause I'm caught between yes and no

[Hook:]

Cause when you kiss me  
I feel everything that I been missing  
I try to slow down but my heart wont listen  
And it's tearin me all up inside  
And when you touch me  
I feel a rush but I'm afraid that it might crush me  
Should I put my trust in somethin I don't trust in  
I try to run but there's no place to hide  
Cause baby kisses don't lie

Kisses don't  
No they don't  
Never don't lie  
You can run if you want but you can't hide  
Tellin you it's the truth don't you ask why  
Kisses don't

No they don't  
Kisses don't lie

[Verse 2:]

You whisper in my ear  
But are your words sincere  
Cause pretty words can cut just like a knife  
You see I'm nobody's fool  
I play by my own rules  
So please think twice before you step into my life

[Refrain:]

So you see you and me  
We're gettin close to the danger zone  
Show me how tell me now  
Should I stay or should i go  
Cause I'm caught between yes and no

[Hook x2]

[Refrain]
