Took a chance, Rolled the dice of me and u  
Opened up, let u in my world  
Like a dance, started slow and then love took control  
Swept away, so proud to be your girl  
when you write a story much too fast, sometimes a  
happy ending doesn't last

CHORUS

Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary every day thing  
Now I know that when it's right it's so amazing  
But When it's wrong u gotta let it go  
Now I know, now I know

Remember when u said our love would last forever  
But then again, how are we to know there's come a  
time  
That love would change like stormy weather  
The sunny day could suddenly turn cold  
Time will teach u all u need to learn  
but there'll always be a first time u get burned ohhhh

CHORUS:

Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary every day thing  
Now I know that when it's right it's so amazing  
But when it's wrong u gotta let it go  
Now I know, now I know

I don't regret a single day the joy and pain along the  
way

A broken hearts the price we pay, as sad as it may  
seem

Baby can't u see, it's the way it's gotta be

CHORUS:

Now I know that love ain't meant to be a play thing  
Now I know it's not an ordinary every day thing  
Now I know that when it's right it's so amazing  
But when it's wrong u gotta let it go, Now I know, now I  
know

Yeahhh Now I know, I know
