Smile of the Dead  
Pleasure of life's Decease  
Frown unto the world  
Ongoing live Disease  
Stiffened tissue  
Drying eyes  
Victor of the Sleepless Life  
Scavenged Earth  
Crawling Flesh  
Enter to Unslepplessness  
Vision's Cold, Death Bell tolls  
Raging form of Eternal dormant  
Taken from life, given to Death  
-ARISE!

Risen atop Loamy Depths  
The Abysses of Unlife  
Eternal Hail for lustful Death  
Savior of the Divine  
Falling to the Scavenged Plains  
Sardonical and Grim  
Calculated disarray  
Discombobulate the Sign

Withered Death, falling Flesh  
Servant of Unslepplessness  
Touch of Cold, Death Bell tolls  
Arise atop the Buried hole  
Sloughing Sloven, Raging sight  
Movement of Pathy life  
Stained tissue, mummified eyes  
Forward to Eternal plight

Dismemberment of the living race  
Sapponified Remains  
Mutilated Infanticide  
Gross display of game  
Fearful sight the loss of life  
All of whom shall fall  
Decaying Corpses, Fermenting Bodies  
Rigored and Cold

Skyful Blaze, Rising Low  
In the Depths, Darkness grows  
Lighted Shadow, Faded Light  
Underworld Rise, Eternal Plight  
Lavish the Earth, Rotten Decor  
Life Takes, Death Gives...
