You're callin' me more than ever now that we're done
Two keys back to my place, we were having no fun
But you're not ok, tellin' me you miss my face
I remember when you would say you hate my waist

I said I'm not coming back, it's it
You fooled me once but you can't have that ego turning
Just too bad for you, that when you had me
Didn't know what to do, She's over you

Cause you had a good girl, good girl, girl
That's a keeper, k-k-k-k-keeper
You had a good girl, good girl but
Didn't know how to treat her, t-t-t-t-treat her (treat her)
So silly boy get out my face (my face)
Why do you like the way regrets taste?
So silly boy get out my hair (my hair)(get outta here)
No, I don't want you no more (get outta here)

Silly boy (silly boy)
Why you acting silly boy?
Silly boy boy (boy boy)
Acting acting silly boy?

You comin with those corny lines
Can't live without me
I'll get some flowers for the day that you are buried
No, people make mistakes
But I just think your ass is fake
Only thing I want from you, is for you to (stay away)

I said I'm not coming back, it's it
You fooled me once but you can't have that ego turning
Just too bad for you, that when you had me
Didn't know what to do, she's over you

Cause you had a good girl, good girl, girl
That's a keeper, k-k-k-k-keeper
You had a good girl, good girl but
Didn't know how to treat her, t-t-t-t-treat her (treat her)
So silly boy get out my face (my face)

Why do you like the way regrets taste?
So silly boy get out my hair (my hair)
(Get outta here)
No I don't want you no more (get outta here)

No more, no more, no more (nooo ooohhh)
(Oooh)

Silly boy (silly boy)
Why you acting silly boy?
Silly boy boy (boyboy)
Acting acting silly boy?

Silly boy (silly boy)
Why you acting silly boy?
Silly boy boy (boy boy)
Acting acting silly boy?

(Yeahhh)

So silly boy get out my face (my face)
Why do you like the way regrets taste?
So silly boy get out my hair (my hair)(Get outta here)
No I don't want you no more (get outta here)

Silly boy (silly boy)
Why you acting silly boy?
Silly boy boy (boy boy)
Acting acting silly boy?
