Oh oh How bout a round of applause  
A standing ovation  
Ohohoh yeah yeah yeah yeah

You look so dumb right now  
Standin outside my house  
Tryin to apologize  
You're so ugly when you cry  
(Please)  
Just cut it out

[Chorus]  
Don't tell me you're sorry cause you're not  
Baby when I know you're only sorry you got caught  
But you put on quite a show  
Really had me going  
But now it's time to go  
Curtain's finally closin  
That was quite a show  
Very entertainin  
But it's over now  
(But it's over now)  
Go on and take a bow

Grab your clothes and get gone  
(You better hurry up) before the sprinklers come on  
(come on)  
Talkin' bout, girl, I love you, you're the one  
This just looks like a re-run  
Please, what else is on

[Chorus]  
And don't tell me you're sorry cuz you're not

Baby when I know you're only sorry you got caught  
But you put on quite a show  
You really had me goin  
But now it's time to go  
Curtain's finally closin  
That was quite a show  
Very entertainin

But it's over now  
(But it's over now)  
Go on and take a bow

And the award for the best liar goes to you  
(Goes to you)  
For make'n me believe that you could be  
Faithful to me  
Lets hear your speech out

(RizzIKidds verse)

If I could do it all again I'd Promise you my heart  
Let our love shine bright never settle for sparks  
Stand right by your side no matter what people say  
Make sweet passionate love every time we lay  
Look you deep in your eyes and just hold you close  
Give you all of my love never settle for most  
Miss you everytime you leave and wait for you to come  
home  
We would stay up all night and sweet talk on the phone  
Never leave and come back never leave you alone  
Not afarid to show our love girl it's always shown  
Everytime you leave the room your love would linger  
I'll give you what you always wanted and put this ring  
on your finger

How about a round of applause  
A standing ovation

[Chorus]  
But you put on quite a show  
You really had me goin  
But now it's time to go  
Curtain's finally closin  
That was quite a show  
Very entertainin  
But it's over now  
(But it's over now)  
Go on and take a bow

But it's over now
