Let it rain, I hydroplane into fame (Eh eh)  
Comin' down with the Dow Jones  
When the clouds come we gone  
We Rocafella (Eh eh)  
We fly higher than weather  
And G5's are better  
You know me  
An anticipation for precipitation, stacks chips for the  
rainy day(Eh eh)  
Jay, rain man is back with lil Ms. Sunshine  
Rihanna where you at?

[Verse 1]  
(Rihanna)

You had my heart  
And we'll never be worlds apart,  
Maybe in magazines  
But you'll still be my star.

Baby cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you I'll always share.

BECAUSE!

When the sun shine we'll shine together  
Told you I'll be here forever  
Said I'll always be ya friend  
Took an oath Ima stick it out till the end.

Now that it's rainin more than ever  
Know that we still have each other  
You can stand under my umbrella  
You can stand Under my umbrella ella ella eh eh eh  
Under my umbrella ella ella eh eh eh  
Under my umbrella ella ella eh eh eh  
Under my umbrella ella ella eh eh eh eh eh eh eh

[Verse 2]

You becoming a dream to me  
A fairy tale fantasy,  
Nothin can ever compare  
An image to my memory.

A vison on a magazine  
That's when I'll be there  
It's something we both share.

BECAUSE!

When the sun shine we'll shine together  
You know I'll be here forever  
Although it's a lot of rain outside  
Girl it's gettin late u can stay tonight.  
But you can dip out anytime whenever  
I can call a car I'm not tryin to stress you  
I'm lookin for the one with the glass slipper
