(feat. Akon)

[Chorus Akon]

Don't look no farther!

Baby im back (yeah)

Im here to cater to you (any thing that you want me to do: I'll do it)

Cause I'll be your lover (ill be your lover)

Ill be your best friend

Tell me what I gotta do (tell me what I gotta do and I'll do it)

[Baby Bash]

Now im back in a flesh

Feelin so blessed, back in your corner suga, suga don't stress

Forget about the rest; let's go inside, im back in your zone

Baby im back in your vibe, now I can't be denied I can't lie i'm on ya

I never ever wanna say sayonara

Some body told me that the grass was greener

On the other side of lake ariba

Never really used to be a mean to cheat her

What I gotta do to be a keeper

These words comin out the speaker, true love is off the meter

[Chorus]

[Baby I'm Back Lyrics On]

[Baby Bash]

I was gone for a minute but now im home,

Please forget me for being a rolling stone,

Please forgive me let me polish it up like chrome,

Get off the phone tell them squares to leave u alone,

Let me spark your interest, now there's no more dating on the internet,

Cause you already know how I get it wet, how I keep it so saucy and I get respect,

You don't have to look no fartha, you dealin with the whole enchilada

You don't have to look no fartha, you hotter then a fire
starter

[Chorus]

[Baby Bash]

I was gone for a minute, (oooohhh) [repeat x4]

Now im back let me hit it (oooohhh) [repeat x4]

[Chorus x2]
