Black black butterflies  
Black black butterflies

Baby  
Butterflies they gave me such a feeling  
Everytime I saw your face  
They started flying  
Now my heart is in the shadow  
Of the creatures they turned into  
And I wish  
That I could make them fly away

I can tell this is my style  
There's a war on the inside  
I can tell this is my style  
And I gotta stand up and fly

How do I kill these butterflies  
Terrorizing me inside  
How do I stop the battle cries  
Screaming out through the night  
doesnt no matter what you say  
I'm still gonna feel this way  
These black black butterflies  
Taking over me

Black black butterflies  
Black black butterflies  
Black black butterflies  
Black black butterflies

I can see them moving deep inside of me  
And my body's beggin me to set 'em free  
I'm in desperate need of healing  
'Cause the damage in my whole being  
Is there any away to make em fly away

I can tell this is my style  
There's a war on the inside  
I can tell this is my style

And I gotta stand up and fly

How do I kill these butterflies  
Terrorizing me inside

How do I stop the battle cries  
Screaming out through the night  
doesn't no matter what you say  
I'm still gonna feel this way  
These black black butterflies  
Taking over me

Black black butterflies  
Black black butterflies  
Taking over me  
Black black butterflies  
Black black butterflies

Black, black, black, black butterflies  
Rihanna, go on it  
Yeah, yeah, yeah  
Come and set me free  
Yeah, yeah, yeah  
Get out of my face,  
Get out of my face, right now  
Yeah, yeah, yeah  
Set, set me free  
Yeah, yeah, yeah

No matter what you say  
I'm still gonna feel this way

How do I kill these butterflies  
Terrorizing me inside  
How do I stop the battle cries  
Screaming out through the night  
doesn't no matter what you say  
I'm still gonna feel this way  
These black black butterflies  
Taking over me

Black black butterflies  
Black black butterflies  
Taking over me  
Black black butterflies  
Black black butterflies  
Taking over me  
Black black butterflies  
Black black butterflies  
Taking over me  
Black black butterflies

Black black butterflies  
Taking over me
