[Will.I.AM]

bubble pop, bubble pop, bubble pop,

You make think it's strange or derange how I make it
bounce

Sugar sweet just like a candy cane melting in your
mouth

Cotton cover lemon drops make it hard I'll make it pop
Once I'll show you how you'll never get enough

[Chorus]

I'll pop my bubble (Hey)

I'll pop my bubble (Hey, hey)

I'll pop my bubble (yeah)

I'll make my bubble pop

For you I'll make it pop

For you, for you I'll make it pop

For you I'll make it pop

Boy don't be afraid of the way that I captivate

Sticky if you touch it, might get lost and you can't
escape

Cherry flavored? yummy yum, boy be nice I'll give you
some

Of my tasty cake i know you love soo much

[Chorus]

I'll pop my bubble(Hey) (Hey yeh)

I'll pop my bubble (Hey, hey)

I'll pop my bubble (yeah)

I'll make my bubble pop

I'll pop my bubble (Hey)

I'll pop my bubble (Hey, hey)(yeah)

I'll pop my bubble (yeah)(make it pop make it pop)

I'll make my bubble pop

For you I'll make it pop

For you, for you I'll make it pop

For you I'll make it pop

Come get lost with me

I dare you to try-ey-yy-ey-yy-ey-yy

Come get lost with me

I dare you to try-ey-yy-ey-yy-ey-yy

[Chorus]

I'll pop my bubble(Hey)
I'll pop my bubble (Hey, hey)
I'll pop my bubble (yeah)
I'll make my bubble pop
I'll pop my bubble(Hey)
I'll pop my bubble (Hey, hey)
I'll pop my bubble (yeah)
I'll make my bubble pop
For you I'll make it pop
For you, for you I'll make it pop
For you

Come get lost with me
I dare you to try-ey-yy-ey-yy-ey-yy
Come get lost with me
I dare you to try-ey-yy-ey-yy-ey-yy

[Chorus]

I'll pop my bubble(Hey)
I'll pop my bubble (Hey, hey)
I'll pop my bubble (yeah)
I'll make my bubble pop
I'll pop my bubble(Hey)
I'll pop my bubble (Hey, hey)
I'll pop my bubble (yeah)
I'll make my bubble pop
For you I'll make it pop
For you, for you I'll make it pop
For you I'll make it pop
For you I'll make it pop
(Bubble pop...)
