(verse 1)

Chest to chest

Nose to nose

Palm to palm

We were always just that close

Wrist to wrist

Toe to toe

Lips that felt just like the inside of a rose

(pre-hook)

So how come when I reach out my fingers
It feels like more than distance between us?

(hook)

In this California King Bed

We're 10,000 miles apart

I've been California wishing on these stars

For your heart for me, my California King

(verse 2)

Eye to eye

Cheek to cheek

Side by side

You was sleeping next to me

(Oh next to me)

Arm in arm

Dusk to dawn

With the curtains drawn

And a little bit of last night on these sheets

(pre-hook & hook)

(bridge)

Just when I felt like giving up on us

You turned around and gave me one last touch

That made everything feel better

And even then my eyes got wetter

So confused, want to ask you if you love me

'Cause I don't want to seem so weak

Maybe I've been California dreaming

Eh eh eh eh

(hook)

My California King!

(hook)
