You're not easy to love  
You're not easy to love, no  
You're not easy to love  
You're not easy to love, no

Why is everything with you so complicated?  
Why do you make it hard to love you  
While I hate it?

'Cause if you really wanna be alone I  
Would throw my hands up 'cause baby, I tried  
But everything with you is so complicated  
Oh, why?

Sometimes I get you  
Sometimes I don't understand  
Sometimes I love you  
Sometimes it's you I can't stand

Sometimes I wanna hug you  
Sometimes I wanna push you away  
Most times I wanna kiss you  
Other times put you

And every minute you start switching up  
And you say things like you don't give a fuck  
Then I say, I'm through with you, take my heart from  
you  
And you come running after me and baby, I'm back  
with you, oh

You're not easy to love  
You're not easy to love, no  
You're not easy to love  
You're not easy to love, no

Why is everything with you so complicated?  
Why do you make it hard to love you  
While I hate it?

'Cause if you really wanna be alone I  
Would throw my hands up 'cause baby, I tried

But everything with you is so complicated  
Oh, why?

Sometimes I catch you  
Sometimes you get away  
Sometimes I read you  
Other times I'm like, where are you on the page?

Sometimes I feel like  
We will be together forever  
But you're so complicated  
My heart and all is bitter

Why is everything with you so complicated?  
Why do you make it hard to love you  
While I hate it?

'Cause if you really wanna be alone I  
Would throw my hands up 'cause baby, I tried  
But everything with you is so complicated  
Oh, why?

I'mma stick around just a little while longer  
Just to make sure, that you're really sure, you like  
sleeping alone  
I'mma stick around just a little while longer  
Just to make sure, that you're really sure, you like  
sleeping alone

Why is everything with you so complicated?  
Why do you make it hard to love you  
Why I hate it?

'Cause if you really wanna be alone I  
Would throw my hands up 'cause baby, I tried  
But everything with you is so complicated  
Oh, why?

You're not easy to love  
You're not easy to love, no  
You're not easy to love  
You're not easy to love, no
