Shine bright like a diamond
Shine bright like a diamond (diamond)

Find light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky

You're a shooting star
I see a vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky

I knew that we'd become
One right away, Oh right away
At first sight I felt the energy of sun rays
I saw the life inside your eyes

So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shining bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shining bright like a diamond
We're beautiful like diamonds in the sky

Palms rise to the universe
As we, moonshine and molly
Feel the warmth we'll never die
We're like diamonds in the sky

You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive

We're like diamonds in the sky

At first sight I felt the energy of sun rays
I saw the life inside your eyes

So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shining bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shining bright like a diamond
We're beautiful like diamonds in the sky

Shine bright like a diamond
Shine bright like a diamond
Shine bright like a diamond

So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond, Oh-Oh-Yeah

Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond (whoa-oh-oh)
Shine bright like a diamond, shine bright like a
diamond
