Shine bright like a diamond  
Shine bright like a diamond

Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
We're like diamond in the sky

You're a shooting star I see  
A vision of ecstasy  
When you hold me, I'm alive  
We're like diamond in the sky

I knew that we'd become one  
Right away, ah right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright, tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Palms rise to the universe  
As we, moonshine and molly  
Feel the warmth we'll never die  
We're diamonds in the sky

You're a shooting star I see  
A vision of ecstasy  
When you hold me, I'm alive  
We're like diamond in the sky

At first site I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright, tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shining bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond

So shine bright, tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Aaaahhhhhhhh....  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond
