Ooh baby baby i know
that i got what you need
Without my program
you craving you begging
you need for some loving
you follow I'm taking the lead
because you want it
I-I know you want it

These other girls
are just a cheap version
of my own system
not living in reality
My system overload
'cause they wanna be me
'cause they see I got you plugged into your fantasies

I-I wanna launch
you in my world-world
just a digital-digital
girl-girl
living in an analog world
Can you handle me
Digital girl (ohoh-ohoh)
Digital-digital girl-girl (you know-you know)
Digital-digital girl-girl (waaa)
Living in an analog world
Can you handle me
digital-digital girl

Touch my microchip
press my buttons don't be scared
'cause you know my speed
bet you wanna hear the glitch
I know you're into me
I-I-I'm not automatic
tell me what you need
eh-eh I'll be automatic

These other girls are just a cheap version
of my own system

not living in reality
My system overload
'cause they wanna be me
'cause they see I got you plugged in to your fantasies

I-I wanna launch
you in my world-world
just a digital-digital
girl-girl
living in an analog world
Can you handle me
Digital girl (ohoh-ohoh)
Digital-digital girl
(you know-you know)
Digital-digital girl (waaa)
Living in an analog world
Can you handle me
digital-digital girl

Up your wee just be all that you can be
satisfaction guaranty virtual reality
Up your wee just be all that you can be
satisfaction guaranty virtual reality

I-I wanna launch
you in my world-world
just a digital-digital
girl-girl
living in an analog world
Can you handle me
digital girl (ohoh-ohoh)
Digital-digital girl
(you know-you know)
Digital-digital girl (waaa)
Living in an analog world
Can you handle me
digital-digital girl.

I-I wanna launch
you in my world-world
just a digital-digital
girl-girl
living in an analog world
Can you handle me
digital girl (ohoh-ohoh)
Digital-digital girl-girl (you know-you know)
