Bum uh, Bum uh, Bum uh Bum uh
Bum bum be-dum bum bum be-dum bum(Remix, Whats
wrong with me?)
Bum bum be-dum bum bum be-dum bum(eL-2-Bee!
Why do I feel like this?)
Bum bum be-dum bum bum be-dum bum(I'm going
crazy now)
Bum bum be-dum bum bum be-dum bum

(eL2Bee)

I'm a monster, beast, yet a masterpiece.
An evil genius when I'm on the beats.
Have you lost your mind? Here take mine,
I don't need it, I barely use it half the time.
I'm insane, I'm sayin' I've never been sane,
These crazy mind games and tricks I've been playin.
Wherever I go these voices tag-along,
I'm in the booth rappin' with a straight jacket on.

I'm not feelin' alright,
There's too much on my mind.
I can't sleep at night,
It's hard to close my eyes.
I believe I need help,
But I can't trust myself,
I wish there was something else.

(Rihanna)

Throw on your break lights,
We're in the city of wonder.
Ain't gonna play nice,
Watch out, you might just go under.
Better think twice,
Your train of thought will be altered,
So if you must falter be wise.
Your mind's in disturbia,
It's like the darkness is the light, disturbia.
Am I scaring you tonight, disturbia.
Ain't used to what you like, disturbia.
Disturbia.

Bum bum be-dum bum bum be-dum bum

Bum bum be-dum bum bum be-dum bum
Bum bum be-dum bum bum be-dum bum
Bum bum be-dum bum bum be-dum bum

Faded pictures on the wall,
It's like they talkin' to me.
Disconnectin' your call,
Your phone don't even ring.
I gotta get out,
Or figure this shit out.
It's too close for comfort.

It's a thief in the night,
To come and grab you.
It can creep up inside you,
And consume you.
A disease of the mind,
It can control you.
I feel like a monster (Oh, oh oh oh)

Throw on your break lights,
We're in the city of wonder.
Ain't gonna play nice,
Watch out, you might just go under.
Better think twice,
Your train of thought will be altered,
So if you must falter be wise.
Your mind's in disturbia,
It's like the darkness is the light, disturbia.
Am I scaring you tonight, disturbia.
Ain't used to what you like, disturbia.
Disturbia.

(eL2Bee)

I mean even when you think you are, you aint safe.
I'll emerge from the shadow in joker face paint.
Better make an escape and vacate the place,
I'ma chase you down until we face to face.
All I wanted to say is I need some help,
Lately I feel like I haven't been myself,
Like my minds somewhere else, I need to find a cure,
I just want things back to the way they were.

(Rihanna)

Release me from this curse im in,
trying to maintain, But I'm struggling.
If You can't go, go, go
I think I'm going to oh, oh, oh

Throw on your break lights,
We're in the city of wonder.

Ain't gonna play nice,
Watch out, you might just go under.
Better think twice,
Your train of thought will be altered,
So if you must falter be wise.
Your mind's in disturbia,
It's like the darkness is the light, disturbia.
Am I scaring you tonight, disturbia.
Ain't used to what you like, disturbia.
Disturbia.
