Verse 1

You don't think
About all the stuff
You said without thinking
You said we be together (I don't feel that true) baby
I don't know what that mean
It don't feel real to me you said

Chorus

I know it real
When we kissed
When we hugged there a lot more to us
Then it don't feel so real to me
Cause you love got me trapped
I don't real so real to me when you said

Verse 2

When you said we could be together
Now I trust
Should like it (if we back together)
My heart in (if you want to work this out with me) trust
Now I said was meant to be
If you were in trouble
Our love is so strong
When you said
I don't feel so real to me
When you said

(Chorus)

I don't feel strange to me
I got you back
I'm so lost without you
When we kissed
I trust you be with me all day and night
It doesn't feel so real to me
When I'm hold you the paim gone way

(Chorus)

Chorus 2

I know it real
When we kissed
When we hugged
It don't feel so real to me
Cause your love got me trapped when you said repeat
