What do I do?  
It doesn't make sense  
Can I run away?  
Did he have to change his mind?  
Why he break my heart?  
What will my friends say?  
Why do I love him anyway?  
Didn't I give him everything?  
Where did I go wrong?

And I don't understand  
Why did he tell lies  
Why did he waste my time?  
How could he play games with my heart?

And this is how I feel  
I can't believe but I know this is real  
What do you say when he don't give a damn about  
you?  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn  
Oh oh oh oh oh oh oh

Wish that I knew  
Don't he get I'm not just a game to play  
I'm about to loose my mind  
I let him break my heart  
This is so crazy  
I don't really love him anyway  
He never gave me anything  
He did me so wrong

And I don't understand  
Why did he tell lies  
Why did he waste my time?  
How could he play games with my heart?

And this is how I feel  
I can't believe but I know this is real  
Gotta let you know that I don't give a damn about you

Don't give a damn about you  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn  
Oh oh oh oh oh oh oh

And this is how I feel  
I can't believe but I know this is real  
What do you say when he don't give a damn about  
you?  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn  
Oh oh oh oh oh oh oh

And this is how I feel  
I can't believe but I know this is real  
Gotta let you know, boy I don't give a damn about you  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn about you  
Don't give a damn  
Oh oh oh oh oh oh oh
