[Rihanna]  
Wherever you're going  
I wanna go  
Wherever you ahead again  
Let me know  
I don't mind catching up  
I'm on my way  
Just can't take the thought of you miles away

And I know you're going somewhere to make a better life  
I hope that you find it on the first try  
And even though it kills me  
That you have to go  
I know it'll be sadder  
If you never hit the road  
So farewell!

[Chorus]  
Somebody is gonna miss you  
Farewell  
Somebody is gonna wish that you were here  
That somebody is me

[Rihanna]  
I will write to tell you what's going in  
But you won't miss nothing but the same old song  
If you don't mind catching up  
I'll spend the day telling you stories about a land far away

And I know you're going somewhere to make a better life  
I hope that you find it on the first try  
And even though it kills me

That you have to go  
I know it'll be sadder  
If you never hit the road  
So farewell!

[Chorus]  
Somebody is gonna miss you  
Farewell  
Somebody is gonna wish that you were here  
Farewell  
Somebody is gonna miss you  
Farewell

Somebody is gonna wish that you were here  
That somebody is me

[Bridge]

And I'm gon' try to holding on it  
Try to hold back my tears  
So it don't make you stay here  
I'mma try to be a big girl now  
Cause I don't wanna be the reason you don't live  
Farewell

[Chorus]

Somebody is gonna miss you  
Farewell  
Somebody is gonna wish that you were here  
Farewell  
Somebody is gonna miss you  
Farewell  
Somebody is gonna wish that you were here  
That somebody is me
