You don't feel the pain

Too much is not enough  
Nobody said this stuff makes any sense  
We're hooked again

Point of no return  
See how the buildings burn  
Light up the night  
Such pretty sight

Adrenaline keeps me in the game  
Adrenaline you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline  
(You don't feel the pain)

Sail through an empty night  
It's only you and I who understand  
There is no plan

Get closer to the thrill  
Only time will kill  
What's in your eyes  
Is so alive

Adrenaline keeps me in the game  
Adrenaline you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

Run through the speed of sound  
Every thing slows you down  
And all color that surrounds you  
Are bleeding to the walls  
All the things you really need

Just wait to find the speed  
Then you will achieve  
Escape velocity

Too much is not enough  
Nobody gave it up  
Im not the kind  
To lay down and die

Adrenaline  
keeps me in the game  
Adrenaline  
you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

Adrenaline  
Screaming out your name  
Adrenaline  
you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

(Adrenaline)

You don't even feel the pain  
You don't even feel the pain  
I'm going to extremes  
There is nothing in between  
You don't even feel the pain  
You don't even feel the pain  
You don't even feel the pain  
You don't even feel the pain
