(Chorus)

I find you in my mind
This time right here
All I need
He true one
Yes fight othe couple In a relationship
Yes we make up nobody business but I own
I find you to be irresistible

Verse 1

I find you to be what I want
Don't care people think (you matter)
Right here in his heart
Other thing he might tell me
(He tell me)
I know he find me irresistible
That how I love goes
He say I'm only he need
I find him to be irresistible

(Chorus)

Verse 2

He say I'm the finest (he ever seen in while)
We have trouble like other couple do
Can we be same
The same history
Put us in our mood
Can that be
Cause I find us to be irresistible baby

(Chorus)

I find you in my mind
This this right here
All I need
He true one
Yes fight other couple in a relationship
Yes we make up nobody business but I own
I find you to be irresistible

Pre chorus
I find you to be what I want
Don't care other people think (you matter)
Right here in his heart
Other thing he might tell me (he tell me)
I know he find me irresistible
He say I'm only one he need
I find him to be irresistible
I find us to be irresistible

Verse 3
Cause we can't without each other
Too many people us together
Is like that
That we have something in common
That we allways in love
Other issuse isn't us
I find you to be irresistible

(Pre chorus) x2

I find you in my mind
This time is right here
All I need
He true one
Yes we fight other couple in a relationship
Yes, we make up nobody business, but I own
I find you to be irresistible

Now, now isn't good time
It been like this for month
Where you apology to me
Would do it all over again
How I purpose trust no love isn't there
How I purpose to trust you now
How you keep on lying to me
How can find you to be irresistible

(Chorus) x4

(Pre chorus) x2
