[Sizzla]

Where do you go? dont you need my love, Baby ?
Why don't you come on and let us play?
when are you going to come my way? aahhhhh

What sort of things they've been telling you?
I've got to stop them from compelling you, girl
They just wont stop me from getting you. ahhhhh

Give me a try
cause I
know that
things will be great.
Free your mind
don't deny
true love never dies
it only creates.

I'm gonna take you right there,
love for lifetime,
I'm gonna make your life so clear,girl
gonna make you mine (2X)

[Rhianna]

Why do you call? I'm not feelin you (baby)
Why cant you see, boy just walk away.
When are you goin to understand? ahhhhh
What sor of things they've been telling you?
I've gotta stop them from compellin you boy
They betta stop they're not helpin you. ahhhhh

Don't even try
cauce I

know that
cauce you're not the one
dont waste your time
goodbye
dont you cry the game is done

I'm gonna tell you right here
Let this be the last time

I'm gonna make it so clear boy must be outcha mine
(2X)
