Somethin bout the way that you're workin me
Teasin me pleasin me easily boy
I'm addicted to you
Gotta have it all the things that you do
I know nothing
But this feelin is crazy amazin
It stays with me all night and day
Makes my temperature rise
Boy your love has got me so hypnotized

I'm feelin somethin that I can't understand
Its like I'm captured by the touch of your hand
Its your vibe
Its your style
Its the way that you smile
Get a little rush when I hear your name
It's so magnetic when you're here next to me
Pullin me closer happens so naturally
We connect
Its electric
This feelin inside
Couldn't hold it back even if I tried

Somethin bout the way that you're workin me
Teasin me pleasin me easily boy
I'm addicted to you
Gotta have it all the things that you do
I know nothing
But this feelin is crazy amazin
It stays with me all night and day
Makes my temperature rise
Boy your love has got me so hypnotized (no ooh no)

You got me spinnin like a merry go round
Feels like I'm flyin but I aint off the ground
Fallin fast
I'm afraid

Can't escape
There's no way
Never had a feelin like this before

Somethin bout the way that you're workin me
Teasin me pleasin me easily boy
I'm addicted to you (I'm addicted to you baby)
Gotta have it all the things that you do (Gotta have
have it babe)
I know nothing
But this feelin is crazy amazin (oh)
It stays with me all night and day
Makes my temperature rise
Boy your love has got me so hypnotized (hypnotized
yeah)

It's amazin how you drive me crazy
Boy keep doin what you're doin
Cuz you're really gettin through to me (hey hey yeah)
Day and night babe you know I can't fight it
Just one look into my eyes and you know you got me
hypnotized (oh oh oh)

Somethin bout the way that you're workin me (somethin
bout the way)
Teasin me pleasin me easily boy
I'm addicted to you (yeah yeah yeah)
Gotta have it all the things that you do (ooh yeah)
I know nothing
But this feelin is crazy amazin (crazy amazin)
It stays with me all night and day (stays with me baby)
Makes my temperature rise
Boy your love has got me so hypnotized
