Yesterday, I started to think
Nothing seems to be wrong
Except de fact that it has been two days since you
called
I keep making sure that my phone is on.
And I don't want to come to the conclusion
That you and me were an illusion
Cause it would be something
that I don't think that I could handle very well

I want love
No more pain
I wanna hear you calling out my name
I want fairy tale
No more rain
I'm ready too, you feel the same

Because I can't stop, won't stop
Till I get what I want
Baby all that I want is you, (Repeat)
I want love

Don't make me say
The things that I don't really want to
We're passed the games
Don't they just get in the way
Our loves enough
And our helpless sorry's
And I don't want to come to the conclusion
That you and me were an illusion
Cause it would be something
that I don't think that I could handle very well

I want love
No more pain
I wanna hear you calling out my name
I want fairy tale
No more rain
I'm ready too, you feel the same

Because I can't stop, won't stop
Till I get what I want

Baby all that I want is you, (Repeat)
I want loveâ€¦

I want loveâ€¦

I want love
No more pain
I wanna hear you calling out my name
I want fairy tale
No more rain
I'm ready too, you feel the same

Because I can't stop, won't stop
Till I get what I want
Baby all that I want is you, (Repeat)
I want loveâ€¦
