(Rihanna):

You're gonna be a shining star, with fancy clothes, and fancy car-ars.

And then you'll see, you're gonna go far.

Cause everyone knows, who you are-are.

So live your life, ay ay ay.

You study chasing that paper.

Just live your life (Oh!), ay ay ay.

You got no time for no haters

Just live your life (Oh!), ay ay ay.

No telling where it'll take you.

Just live your life (Oh!), ay ay ay.

Cause I'm a paper chaser.

Just living my life (ay), my life (oh), my life (ay), my life (oh)

Just living my life (ay), my life (oh), my life (ay), my life (oh)

(T.I.):

Nevermind what haters say, ignore them 'til they fade away.

Amazing they ungreat for after all the games I gave away.

Safe to say I paved the way, for you can't get paid today.

You still be wasting days away, nah had I never saved the day.

Consider them my protÃ©gÃ©, how much I think they should pay.

Instead of being gracious, they violated and made you wait.

I never been a hater still I love them, yeah I graze the way.

Some say they so yay and no they couldn't even work on Labor day.

It aint that they black or white, their hands of area in shades of grey.

I'm West side anyway, even if I left the day it fades away.

Some move away to make a way not move away cause they afraid.

I'll go back to the hood and all you ever did was hate

away.

I pray for patience but they make me want to face  
away.

Like I once made them scream, now I could make them  
plead their case away.

Been thuggin' all my life, can't say I don't deserve to  
take a break.

If you ever see me catch a case, and watch my future  
fade away.

(T.I.):

I'm the opposite of moderate, immaculately polished  
with the spirit of a hustler and the swagger of a college  
kid.

Allergic to the counterfeit, impartial to the politics.

Articulate but still would grab a nigga by the collar  
quick.

Whoever had problems, they reckonsile they just holla  
'til.

If that don't work and just fails, then turn around and  
follow 'til.

I got love for the game but ay I'm not in love with all of  
it.

I do without the fame and the rappers nowadays are  
comedy.

The hootin' and the hollerin', back and forth with the  
arguing.

Where you from, who you know, what you make and  
what kind of car you in.

Seems as though you lost sight of whats important with  
the positive.

And checks until your bank account, and you're about  
poverted.

Your values is a disarrayed, prioritized are horribly.

Unhappy with the riches cause you pis-pone morally.

Ignoring all prior advice and fore warning.

And we might be full of ourselves all of a sudden aren't we?

(Rihanna):

Now everybody what you wanna do,  
Come walk in ma shoes,  
And see the way I'm livin if you really want to,  
I got ma mind on my money,  
And I aint goin no where...  
So keep on gettin your paper,  
And keep on climbin,  
Look in the mirror,  
And keep on Shinin,  
Till the game end,  
Till the clock stop,  
We're gonna post stuff on the top spot,

So live your life, ay ay ay.  
You study chasing that paper.  
Just live your life (Oh!), ay ay ay.  
You got no time for no haters  
Just live your life (Oh!), ay ay ay.  
No telling where it'll take you.  
Just live your life (Oh!), ay ay ay.  
Cause I'm a paper chaser.  
Just living my life (ay), my life (oh), my life (ay), my life (oh)  
Just living my life (ay), my life (oh), my life (ay), my life (oh)

So live your life.
