What am I supposed to do with this heart, (with this heart)
How do I take it up, if the loving on is like a work of art
In love we all we fall but we fell a little harder
What am I supposed to do with this heart, (with this heart)
It may be wrong but it feels right to be lost in paradise

I'm so lost in paradise,
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, won't deny
Let me stay, lost in paradise

How was I to know that my love was delusional
Somebody told me how to mend a broken heart this old
In love we all we fall but we fell a little harder
What am I supposed to do with this heart, (with this heart)
It may be wrong but it feels right to be lost in paradise

I'm so lost in paradise, (lost in paradise)
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, gone tonight
Let me stay, I'm lost in paradise

It may be wrong but it feels right
All my fears are gone tonight
I'm lost in paradise

I'm so lost in paradise, (lost in paradise)
If I open up my eyes
I can see the storm, I can see the sky
I can see the darkness flashing lights
All my fears, won't deny
Let me stay lost in paradise

Lost in paradise
Yeah, lost in paradise
Lost in paradise
