Featuring: Eminem

[Refrain - Rihanna]

Just gonna stand there  
And watch me burn  
But that's alright  
Because I like  
The way it hurts  
Just gonna stand there  
And hear me cry  
But that's alright  
Because I love  
The way you lie  
I love the way you lie

[Eminem]

I can't tell you what it really is  
I can only tell you what it feels like  
And right now there's a steel knife  
In my windpipe  
I can't breathe  
But I still fight  
While I can fight  
As long as the wrong feels right  
It's like I'm in flight  
High of a love  
Drunk from the hate  
It's like I'm huffing paint  
And I love it the more that I suffer  
I suffocate  
And right before I'm about to drown  
She resuscitates me  
She fucking hates me  
And I love it  
Wait  
Where you going  
I'm leaving you  
No you ain't  
Come back  
We're running right back  
Here we go again  
It's so insane

'Cause when it's going good  
It's going great  
I'm Superman  
With the wind in his bag  
She's Lois Lane  
But when it's bad  
It's awful  
I feel so ashamed  
I snap  
Who's that dude  
I don't even know his name  
I laid hands on her  
I'll never stoop so low again  
I guess I don't know my own strength

[Refrain - Rihanna]  
Just gonna stand there  
And watch me burn  
But that's alright  
Because I like  
The way it hurts  
Just gonna stand there  
And hear me cry  
But that's alright  
Because I love  
The way you lie  
I love the way you lie  
I love the way you lie

[Eminem]  
You ever love somebody so much  
You can barely breathe  
When you're with them  
You meet  
And neither one of you  
Even know what hit 'em  
Got that warm fuzzy feeling  
Yeah them chills  
Used to get 'em  
Now you're getting fucking sick  
Of looking at 'em  
You swore you've never hit 'em  
Never do nothing to hurt 'em  
Now you're in each other's face  
Spewing venom  
And these words  
When you spit 'em  
You push  
Pull each other's hair  
Scratch, claw, bit 'em  
Throw 'em down

Pin 'em  
So lost in the moments  
When you're in 'em

It's the rage that took over  
It controls you both  
So they say it's best  
To go your separate ways  
Guess that they don't know ya  
'Cause today  
That was yesterday  
Yesterday is over  
It's a different day  
Sound like broken records  
Playin' over  
But you promised her  
Next time you'll show restraint  
You don't get another chance  
Life is no Nintendo game  
But you lied again  
Now you get to watch her leave  
Out the window  
Guess that's why they call it window pane

[Refrain - Rihanna]  
Just gonna stand there  
And watch me burn  
But that's alright  
Because I like  
The way it hurts  
Just gonna stand there  
And hear me cry  
But that's alright  
Because I love the way you lie  
I love the way you lie  
I love the way you lie

[Eminem]  
Now I know we said things  
Did things  
That we didn't mean  
And we fall back  
Into the same patterns  
Same routine  
But your temper's just as bad  
As mine is  
You're the same as me  
But when it comes to love  
You're just as blinded  
Baby please come back  
It wasn't you

Baby it was me  
Maybe our relationship  
Isn't as crazy as it seems  
Maybe that's what happens  
When a tornado meets a volcano  
All I know is  
I love you too much  
To walk away though  
Come inside  
Pick up your bags off the sidewalk  
Don't you hear sincerity  
In my voice when I talk  
Told you this is my fault  
Look me in the eyeball  
Next time I'm pissed  
I'll aim my fist  
At the dry wall  
Next time  
There will be no next time  
I apologize  
Even though I know it's lies  
I'm tired of the games  
I just want her back  
I know I'm a liar  
If she ever tries to fucking leave again  
I'm 'na tie her to the bed  
And set the house on fire

[Refrain - Rihanna]  
Just gonna stand there  
And watch me burn  
But that's alright  
Because I like  
The way it hurts  
Just gonna stand there  
And hear me cry  
But that's alright  
Because I love the way you lie  
I love the way you lie  
I love the way you lie.
