[Rihanna's Part 1]

On the first page of our story
The future seemed so bright
Then this thing turned out so evil
I don't know why I'm still surprised
Even angels have their wicked schemes
And you take that to new extremes
But you'll always be my hero
Even though you've lost your mind

Just gonna stand there and watch me burn
But that's all right because I like the way it hurts
Just gonna stand there and hear me cry
But that's all right because I love the way you lie
I love the way you lie
Ohhh, I love the way you lie

[Rihanna's Part 2]

Now there's gravel in our voices
Glass is shattered from the fight
In this tug of war, you'll always win
Even when I'm right
'Cause you feed me fables from your hand
With violent words and empty threats
And it's sick that all these battles
Are what keeps me satisfied

Just gonna stand there and watch me burn
But that's all right because I like the way it hurts
Just gonna stand there and hear me cry
But that's all right because I love the way you lie
I love the way you lie
Ohhh, I love the way you lie

[Rihanna's Part 3]

So maybe I'm a masochist
I try to run but I don't wanna ever leave
Til the walls are goin' up
In smoke with all our memories

[Eminem's Part]

This morning, you wake, a sunray hits your face

Smeared makeup as we lay in the wake of destruction
Hush baby, speak softly, tell me you'll be sorry
That you pushed me into the coffee table last night
So I can push you off me
Try and touch me so I can scream at you not to touch
me
Run out the room and I'll follow you like a lost puppy
Baby, without you, I'm nothing, I'm so lost, hug me
Then tell me how ugly I am, but that you'll always love
me
Then after that, shove me, in the aftermath of the
Destructive path that we're on, two psychopaths but we
Know that no matter how many knives we put in each
other's backs
That we'll have each other's backs, 'cause we're that
lucky
Together, we move mountains, let's not make
mountains out of molehills,
You hit me twice, yeah, but who's countin'?
I may have hit you three times, I'm startin' to lose count
But together, we'll live forever, we found the youth
fountain
Our love is crazy, we're nuts, but I refused counsellin'
This house is too huge, if you move out I'll burn all two
thousand
Square feet of it to the ground, ain't shit you can do
about it
With you I'm in my f-ckin' mind, without you, I'm out it

Just gonna stand there and watch me burn
But that's all right because I like the way it hurts
Just gonna stand there and hear me cry
But that's all right because I love the way you lie
I love the way you lie
Ohhh, I love the way you lie

Love the way you lie
