[Rihanna]

On the first page of our story  
the future seemed so bright  
then this thing turned out so evil  
I don't know why I'm still surprised  
even angels have their wicked schemes  
and you take that to new extremes  
but you'll always be my hero  
even though you've lost your mind

[Chorus]

Just gonna stand there and watch me burn  
but that's all right because I like the way it hurts  
just gonna stand there and hear me cry  
but that's all right because I love the way you lie  
I love the way you lie  
Ohhh, I love the way you lie

[Rihanna]

Now there's gravel in our voices  
glass is shattered from the fight  
in this tug of war, you'll always win  
even when I'm right  
'cause you feed me fables from your hand  
with violent words and empty threats  
and it's sick that all these battles  
are what keeps me satisfied

[Chorus]

[Rihanna]

So maybe I'm a masochist  
I try to run but I don't wanna ever leave  
til the walls are goin' up  
in smoke with all our memories

[Eminem]

This morning, you wake, a sunray hits your face  
smeared makeup as we lay in the wake of destruction  
hush baby, speak softly, tell me I'll be sorry  
that you pushed me into the coffee table last night

so I can push you off me  
try and touch me so I can scream at you not to touch  
me  
run out the room and I'll follow you like a lost puppy  
baby, without you, I'm nothing, I'm so lost, hug me  
then tell me how ugly I am, but that you'll always love  
me  
then after that, shove me, in the aftermath of the  
destructive path that we're on, two psychopaths but we  
know that no matter how many knives we put in each  
other's backs  
that we'll have each other's backs, 'cause we're that  
lucky  
together, we move mountains, let's not make  
mountains out of molehills,  
you hit me twice, yeah, but who's countin'?  
I may have hit you three times, I'm startin' to lose count  
but together, we'll live forever, we found the youth  
fountain  
our love is crazy, we're nuts, but I refused counselin'  
this house is too huge, if you move out I'll burn all two  
thousand  
square feet of it to the ground, ain't shit you can do  
about it  
with you I'm in my f-ckin' mind, without you, I'm out it

[Chorus]

Just gonna stand there and watch me burn  
but that's all right because I like the way it hurts  
just gonna stand there and hear me cry  
but that's all right because I love the way you lie  
I love the way you lie  
Ohhh, I love the way you lie
