Ain't nothin wrong with it...

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, L.O.V.EEE and affection

Oh baby, I'm not asking for the world, maybe
You can give me what I want
Baby, come hold me tight and when I'm drowning save
me
Give it to me on the daily

If I'm your girl say my name boy
Let me know I'm in the control
We both grown so how we feel we can let it show
I I I, won't play around
I I I, I wanna lay you down
I I I, I need you now I need you now
Ohhhh Ohh ohh aby you got me goin good

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, L.O.V.EEE and affection

Boy lately, you been stingy with your time
Got me wondering, I'm wondering if I'm on your mind
Boy I just wanna be in your possession
You say I'm the one you want so come express it

Don't slip, don't slip cuz im almost there
Cause a n-gga might push up on it
Don't really wanna lose this moment
While window shopping you own this
Don't put it down
Don't f-ck around
I want you now, I want you now ohhh ohhh

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, L.O.V.E.E.E and affection

Can you love me for poor
I'm searching for my soul
Whoever turned you cold
You need to let him know
I can work miracles
I work it physical
And when I love you close, you can feel my heart
breathing through my clothes

Future...

I don't wanna give you the wrong impression
I need love and affection
And I hope I'm not sounding too desperate
I need love and affection
Love, love, love, love and affection
Love, love, L.O.V.E.E.E and affection
