V1

I didn't get it  
If I don't know he want me  
if he love me  
If he is control  
If he love me in same the way that he love me  
Maybe I should slow it down  
For him, so he get use to me  
I don't know  
If he acted

B-section

He know I love him  
I can't see be with somebody  
Cause his friend, buddy, my lover and this way it  
purpose to stay  
Someone I could talk to always be there  
The stress get to mee always have his love  
He could experience with me  
He wish  
May be he should slow it down  
I don't want to him to go too fast  
May be he should take is his time  
I like the way he moved his body  
He tell me all thing like he do to me  
I agree  
He show more talented  
More I talk to him  
May be we should slow it down  
That gleen in his eyes tell so much more  
May be he should slow it down  
May be I should slow it down until there more  
May be we shouldn't do this tonight  
May be I should slow it down (if he acted)

Pre chorus 1

I don't get it  
If I don't know if he want me if he love me  
If he is control  
If he love me in same the way that I love him  
May be I should slow it down

For him, so he get use to me  
I don't know  
If he acted  
Repeat B-section

Chorus 2  
I agree  
He show more talented  
More I talk to him  
May be we should slow it down (that gleem in his eyes  
tell so much more)  
May be he should slow it down  
May be I should slow it down (until there no more)  
May be we shouldn't do this tonight  
May be I should slow it down if he acted

I did get it  
If he don't won't me, if he didn't love me  
If he is controlling (he proposed we be together)  
If he love me in same the way  
That I love him  
May be I should slow it down (if he acted)  
For him, so he get use to me  
I don't know  
If he acted
