Gonna try a different color gonna love one another  
nothing's gonna be the same never gonna play the  
same game so different so many it's not gonna be the  
same way [Bridge] Been there done that your really  
gonna stay like that? run run it's so fun walk walk jog  
jog too young to get a job  
[Chorus] Switch it up fuse it up can't get enough of time  
for me to do it do it now do it proud do it loud it's time  
for me tototototto mix it up never gonna be afraid  
mix it up don't care if i don't get paid mix it up not to  
late mix it up mix it uuuup different story different day i  
could care less if somebody does a mess of something  
plenty on my plate take something off that's so great  
[Bridge] [Chorus] i'm not gonna be the same happy,  
mad, glad or sad time time for me too mix it up  
different emotions oh yeah
