911, it's a critical emergency, yeah  
Let the run, run, run  
Come and charge it with the 143 yeah, yeah  
Told me this world was mine, such a beautiful lie

Now he's done, done, done  
And his love is no more for me, eh

Another year as he waved me goodbye  
He said he care but no tears in his eyes  
And ask me if I'm alright  
Nigga is you blind

Like a bullet your love me hit me to the core  
I was flying 'til you knocked me to the floor  
And it's so foolish how you keep me wanting more, eh  
I'm screaming murderer, how could you murder us

I call it murder, no love allowed, yeah yeah yeah  
Boy yeah yeah yeah, yeah yeah yeah  
Yeah yeah yeah, yeah yeah yeah  
Yeah yeah yeah, yeah yeah yeah

Fi, fo, fum like the sky is falling down on me  
Numb, numb, numb he's so cold he doesn't feel a thing  
Broken heart was the case  
Go on and put in my way

He's the only one, one, one  
I ever let get the best of me

Another year as he waved me goodbye  
He said he care but no tears in his eyes  
And ask me if I'm alright  
Nigga is you blind

Like a bullet your love me hit me to core  
I was flying 'til you knocked me to the floor  
And it's so foolish how you keep me wanting more, eh  
I'm screaming murderer, how could you murder us

I call it murder, no love allowed, yeah yeah yeah

Boy yeah yeah yeah, yeah yeah yeah  
Yeah yeah yeah, yeah yeah yeah  
Yeah yeah yeah, yeah yeah yeah

Usually I'm the one that they cry for  
But this man, he's the one that I'd die for  
Mama said there's no cause for a rebel  
Do you hear me now, no love, no love, no love allowed

Like a bullet your love me hit me to core  
I was flying 'til you knocked me to the floor  
And it's so foolish how you keep me wanting more  
I'm screaming murderer, how could you murder us

I call it murder, no love allowed  
I'm screaming murderer  
How could you murder us  
I call it murder, no love allowed
