Please don't stop the music(x4)

It's gettin late
I'm making my way over to my favorite place
I gotta get my body moving shake the stress away
I wasn't looking for nobody when you looked my way
Possible candidate,yeah
Who knew
That you'd be up in here lookin like you do
You're makin' stayin' over here impossible
Baby I must say your aura is incredible
If you don't have to go don't

Do you know what you started
I just came here to party
But now we're rockin on the dance floor
Acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Chest to chest
And now we're face to face

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin to it
Please don't stop the
Please don't stop the music

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rocking to it
Please don't stop the
Please don't stop the
Please don't stop the music

Baby are you ready cause its getting cold
Don't you feel the passion ready to explode
What goes on between us no one has to know
This is a private show,oh

Do you know what you started
I just came here to party
But now we're rockin on the dance floor

Acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Chest to chest
And now we're face to face

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this

Keep on rockin to it
Please don't stop the
Please don't stop the music

I wanna take you away
Lets escape into the music
DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin to it
Please don't stop the
Please don't stop the
Please don't stop the music
