Take off my shirt. Loosen the buttons
And undo my skirt, Stare at myself in the mirror
Take me apart piece by piece, Sorrow decrease
Pressure release, I put in work
Did more than called upon, More than deserved
When it was over, Did I wind up hurt (Yes)
But it taught me before a decision ask this question
first

Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing
Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing

Take off my cool, show them that
under here, I'm just like you
Do the mistakes, I may make me a fool
Or a human with loss, and if that I'm loss
Round of applause, Take the abuse
Sometimes it feels like they want me to lose
It's entertainment is that an excuse? (No)
But the question that lingers whether win or lose is

Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing
Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing

Dear Diary,
It's Robin
Entertaining is something I do for a living
It's not who I am, I'd like to think that I'm pretty normal,
I laugh, I get mad, I hurt,
I think guys suck sometimes,
But when you're in the spotlight,
Everything seems good,
Sometimes I feel like I have it worst cause I have to
always keep my guard up,

I don't know who to trust, I don't know who wants to
date me for who I am,
Or who wants to be my friend for who I really am,

Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing
Who am I living for?
Is this my limit, Can I endure some more
Chances are given, Question Existing
