[Rihanna]

Ladies don't worry cause they got plenty more
They be falling like the rain so we aint running out
Falling like the rain so we aint running out
Falling like the rain so we aint running out
Oh its raining men girl what you worry 'bout

Who you think you getting with that "Hi, let me freak
ya."?

You got me mistaken thinkin' you gon get it easy
First of all you need to know that I'm not the one
Think you getting something baby, you aint getting
none
All you need to know that I'm a 2 times 5
Load it, cock it, aim it baby, boom bye bye
Set your standards lower, boy you're aiming too high
Matter of fact your friend looks better so (huh) good
bye
