Rihanna, bring it back

Oh woah oh no

Oh woah oh no

Mr. dj coming after you babe

I wanna hear my jam again

Move the crowd now

Play it crazy loud now

Bring it back now if you can

I've been waitin' so long pump it up,  
put it on, tell me what you waitin' for  
Feel it deep in my soul, now it's out of control,  
I can't take it anymore

Bring it back again

Play my track again

Keep it hot for me

Make my body move

It's all up to you

What's it gonna be

Play my joint again

Play my jam and

Send this one out to me

Bring it back again

It's a fact

I need somethin' that i'm gonna feel

Oh woah oh no (bring it back)

Oh woah oh no

Here we go now

Gotta let you know now

I wanna feel the summer heat

Don't you understand

I don't want a slow jam

I wanna feel the hottest beat

It's my joint, it's my jam, play the record again  
The one that turns me on  
It's alright, it's okay,

I don't care if you play it until the night is done

Bring it back again  
Play my track again  
Keep it hot for me  
Make my body move  
It's all up to you  
What's it gonna be  
Play my joint again  
Play my jam and  
Send this one out to me  
Bring it back again  
It's a fact  
I need somethin' that i'm gonna feel

Oh woah oh no (bring it back)  
Oh woah oh no  
Oh woah no  
It's my joint, it's my jam, play the record again  
Ooh woah  
I've been waitin' so long pump it up, put it on,  
tell me what you waitin' for  
Feel it deep in my soul, now it's out of control,  
I can't take it anymore

Bring it back again  
Play my track again  
Keep it hot for me  
Make my body move  
It's all up to you  
What's it gonna be  
Play my joint again  
Play my jam and  
Send this one out to me  
Bring it back again  
It's a fact  
I need somethin' that I'm gonna feel

Somethin' that i'm gonna feel  
Oh woah oh no (bring it back)  
Oh woah oh no (play my song now)

Bring it back again  
Play my track again  
Keep it hot for me  
Make my body move  
It's all up to you  
What's it gonna be  
Play my joint again  
Play my jam and  
Send this one out to me

Bring it back
